Blueberries
Three-year old plants in 1-gallon containers. Well adapted to Piedmont growing conditions. At least two varieties must be planted to ensure cross pollination.

Cost: $8.00 each  Varieties: Tifblue, Climax, Premier

Blackberries
Plants are in 1-gallon containers and are well-adapted to Piedmont growing conditions.

Cost: $8.00 each  Varieties: Ouachita, Apache

Muscadines
Plants are in 1-gallon containers and are well-adapted to Piedmont growing conditions.

Cost: $8.00 each  Varieties: Cowart, Doreen

Fig Trees
Plants are in 1-gallon containers and are well-adapted to Piedmont growing conditions.

Cost: $7.00 each  Varieties: Brown Turkey, Celeste

HERITAGE APPLE TREES
One-year old plants in 1-gallon containers (5 – 6 ½ feet tall). Well adapted to Piedmont growing conditions.

These trees are grafted using the hardy, disease and drought resistant MM.111 rootstock.

Most trees should bear fruit within 5 years and when mature should stand around 15 feet tall.

Cost: $18.00 each  Varieties: Blacktwig, Grimes Golden

**BLUEBERRIES:**

**TIFBLUE:** Ripens mid-season; growth is vigorous and upright. The most highly recommended variety for commercial use. Also excellent for home use.

**CLIMAX:** Ripens early over a short period; medium size berries with a sweet flavor. Growth is upright and spreading.

**PREMIER:** Early to mid-season, large fruit. Excellent flavor, light blue in color and good quality. Plants are upright with good foliage. Highly productive.

**BLACKBERRIES:**

**OUACHITA:** Fruit are large in size, very good flavor, and average sugar content. Fruit ripen mid season over about five weeks with consistently high yields.

**APACHE:** Thornless, sweet, high yield.

**MUSCADINE GRAPES:**

**COWART:** Black; fruit are medium size, ripen early to mid season, have very large clusters, excellent flavor, good quality and a wet stem scar. Plants are very vigorous and disease resistant.

**DOREEN:** This bronze fruit is medium to large size, with medium size clusters. This variety ripens late season and is very disease resistant.

**FIG TREES:**

**BROWN TURKEY:** Average to large sized fruits with few seeds and are best when fresh. Not recommended for drying or canning. Grown for fresh market. Hardy small tree produces two crops a year.

**CELESTE:** Very hardy and one of the most widely grown in the South. Small to average size fruit that resists both splitting and souring. Tree produces no spring crop.

**HERITAGE APPLE:**

**BLACKTWIG:** Tart and of unparalleled fresh eating quality used for cider or cooking, and is known to keep well. Tree is resistant to fireblight and cedar apple rust. Medium to large fruit, skin green with a deep red and several red stripes. Its flesh is white, almost yellow, firm, juicy, and mildly subacid. Ripens late September through October.

**GRIMES GOLDEN:** Known as the parent of the modern day Golden Delicious. Fine eating apple / makes excellent cider. Blooms late. Fruit medium / large with yellow skin with some russet, flesh is yellow, firm, crisp, juicy, aromatic, sweet, and spicy. It ripens in September and stores fairly well.

Dear 4-H Supporter,

This year, NC 4-H is celebrating our centennial! Wow, Can you believe 100 years of youth development in NC! Guilford County, 4-H began in 1911 as North Carolina’s first Tomato Canning Club for girls. Even though the faces and activities of 4-H have changed over the years; the need for positive youth development has remained the same. Leadership, citizenship, and life skills are learned through presentations, public speaking, fashion revue, projects, club activities, school enrichment programs, camp and summer fun workshops. Thank you all for supporting our efforts to provide positive youth development for our youth of Guilford County!

All the proceeds of our 4-H Plant Sale will go to reduce the cost of programs such as: 4-H Camp, 4-H Congress and 4-H Summer Fun workshops for Guilford County youth. These activities give our youth an opportunity to acquire skills that will last them a lifetime. Again, thank you for supporting Guilford County 4-H!
